The Irvine Children's Fund is proud to announce that we are celebrating 32 years of providing affordable before and after school child care scholarships to eligible families that have children attending one of the 27 elementary schools in the Irvine Unified School District.

This year, the Irvine Children's Fund will host the 32nd annual Irvine Junior Games to be held on Sunday, May 5, 2019 at Irvine Stadium. Most importantly, the Irvine Junior Games assist ICF in fundraising to provide before and after school child care scholarships to low-income working families. The Irvine Junior Games continue to serve as the premier fundraising track and field event in Orange County with participation by over 1,300 Irvine elementary and middle school athletes, 300 volunteers and over 2,000 spectators.

With the help of so many past individual and corporate sponsors, grants, foundations and volunteers, the Irvine Children's Fund has raised over \$2.8 Million to assure a secure and supportive child care environment before and after school for children who otherwise may be left home alone.

**This very successful auction at the Irvine Junior Games
has raised \$150,000**

to help ICF provide funding for before and after school child care for working families who are struggling to provide safe child care, keep their jobs and maintain their self sufficiency.

The IJG 2018 auction was even bigger and better than ever and raised \$13,500 for child care. **THANK YOU**

Your support will help make it possible for families to have access to affordable before and after school child care.

WE THANK YOU FOR YOUR PAST DONATION and hope you will once again JOIN THE SPONSOR TEAM for the 2019 Irvine Junior Games by making a donation of products or services to our SILENT AUCTION, which is held on the day of the Irvine Junior Games. Monetary donations are also generously accepted. Your donation will be acknowledged in the Irvine Junior Games Event Program that is available to our athletes and 2,000 spectators.

The Irvine Junior Games (IJG) were conceived in 1986 with two objectives:

- Second, to encourage the participation of elementary and middle school children in athletics and promote a healthy lifestyle

The Irvine Children's Fund (ICF) is a nonprofit organization in partnership with the Irvine Child Care Project with the purpose of raising money to:

- provide quality, affordable, safe & accessible before and after school child care for elementary school children
- provide child care scholarships for low-income, working families
- assist with funds to expand, maintain and enrich the 27 child care sites

Before & after school child care sites are now located on all 27 elementary school sites in the Irvine Unified School District

The Irvine Junior Games include events for children with special needs and children in adapted PE.

Each athlete receives an official T-shirt that includes sponsor recognition. Proceeds from athlete entry fees, spectators & concessions benefit ICF.
