Irvine Children's Fund

The Irvine Children's Fund (ICF) is very excited to announce that the **IRVINE JUNIOR GAMES** will be held on **Sunday, May 7, 2023**, at Irvine Stadium. For the 34th year, athletes, sponsors and dignitaries will participate in the Opening Ceremony which begins with the athlete parade and lighting of the 2023 flame. As the Irvine Children's Fund looks forward to celebrating this Irvine tradition, the Irvine Junior Games promise to continue its unsurpassed role as the premier Irvine family fundraising track and field event with participation by 1,200 athletes from 36 Irvine elementary and middle schools, 300 volunteers and 2,000 spectators.

Due to the Pandemic, the Irvine Junior Games were cancelled in 2020 and 2021. This loss of our annual fundraising event impacted available funding for the ICF child care scholarship program for low-income, working families at a time when more families need child care help. The Irvine Junior Games returned in 2022 and continue to be instrumental in our fundraising to provide affordable and accessible child care before and after school on all 29 Irvine Unified School District elementary school sites under the supervision of the Irvine Child Care Project. As we learned during the pandemic, child care is essential for the opening, recovery and rebuilding of the economy. Even during this difficult time, the Irvine Children's Fund continued in our mission to assist low-income, working families access child care at their elementary school and return to work by providing a child care scholarship.

The Irvine Strategic Plan for Children, Youth and Families addresses citywide goals to ensure youth thrive emotionally, physically, academically and socially. ICF plays an important role with our child care mission to provide before and after school child care scholarships to low-income working families, to assist in expanding and maintaining child care sites, to provide grants to schools, teachers & child care sites and to promote child wellness. ICF has raised \$3.3M for these before and after school child care programs to help families.

ICF cannot do this alone. We are appreciative and proud of the many generous donors who have helped ICF fulfill our before and after school child care mission and reach our fundraising goals year after year. When corporations, foundations, community leaders and individual donors come together as a community, we can assure a secure and supportive child care environment before and after school for working families who were so greatly impacted by the Pandemic.

Your financial support will make it possible for low-income working families to have access to child care programs at all 29 elementary schools in Irvine. Families can work and remain self-sufficient knowing that their children can go safely to and from school and child care.

To fund the ICF Before and After Child Care Scholarship Program and meet the needs of low-income working families, ICF has made a commitment to raise \$500,000.

Please join the Sponsor Team of the 2023 Irvine Junior Games and help ICF continue to reach our child care scholarship goals by signing up online at www.irvinechildrensfund.com or by completing and returning the sponsor agreement form.

If you have any questions or need additional information, please call Sharon Wellikson at (949) 400-3453.

Sincerely yours,

Lauren S. Brooks

**ANNUAL IRVINE JUNIOR GAMES
TRACK & FIELD FUNDRAISING EVENT
A BENEFIT FOR THE IRVINE CHILDREN'S FUND
ON TRACK TO RAISE FUNDS FOR
BEFORE & AFTER SCHOOL CHILD CARE
MAY 7, 2023**

Due to the pandemic, the Irvine Children's Fund cancelled the annual Irvine Junior Games fundraising events in 2020 and 2021. In 2022, the Irvine Junior Games returned and brought together the community, the schools, the city and athletes from all 35 IUSD elementary and middle schools to help the Irvine Children's Fund raise money for before and after school child care. Child care continues to be an important key to the economic recovery from the pandemic.

The Irvine Children's Fund is raising funds to meet the increased need for ICF Before and After School Child Care Scholarship Funds
For 2022 – 2023, ICF has committed to raise \$500,00 to meet the school age child care needs of low income, working families.

The Irvine Junior Games (IJG) were conceived in 1986 with two objectives:

- First, the Irvine Junior Games serve as a fundraising event for the Irvine Children's Fund
- Second, to encourage the participation of elementary and middle school children in athletics and promote a healthy lifestyle

The Irvine Children's Fund (ICF) is a nonprofit organization in partnership with the Irvine Child Care Project with the purpose of raising money to:

- provide quality, affordable, safe & accessible before and after school child care for elementary school children
- provide child care scholarships for low-income, working families
- assist with funds to expand, maintain and enrich the 29 child care programs

Before & after school child care sites are now located on all 29 elementary school sites in the Irvine Unified School District

**THE PREMIER CHILDREN'S ATHLETIC EVENT IN IRVINE
1,200 4th – 8th Grade Athletes Representing 36 IUSD schools**

The Irvine Junior Games have evolved into a force for positive interaction that bring together parents, children, the Irvine Unified School District (IUSD), the City of Irvine, foundations and corporate & individual sponsors. The Irvine Junior Games are truly a unique celebration of the Irvine community.

All Irvine Unified School District students in 4th through 8th grade are invited to participate in the Irvine Junior Games track and field events. Each year we host 1,200 athletes participating in the 50 and 100 meter sprints, 400, 800 and 1500 meter long distance runs, school relays, the bag shot, soccer kick, basketball shoot, and the standing and running long jump. The Irvine Junior Games include events for children with special needs and children in adapted PE.

Each athlete receives an official T-shirt that includes sponsor recognition. Proceeds from athlete entry fees, spectators & concessions benefit ICF.

Festivities begin with a color guard leading off the parade of athletes marching in behind their school banners. The Opening Ceremony concludes with the national anthem & the lighting of the Irvine Junior Games flame.

Each year, the Irvine Junior Games are efficiently run thanks to the help of more than 300 **VOLUNTEERS** who plan and volunteer at the event.

More than 75 corporate & individual gold, silver, bronze and spirit team **SPONSORS** proudly support the Irvine Junior Games and generously contribute to help ICF reach our child care fundraising goal.

Thanks to our Irvine Junior Games sponsors, foundations & grants, the Irvine Children's Fund has raised \$3,297,123 to provide:

Irvine Children's Fund

- \$2,500,128 to the Irvine Child Care Project for before and after school child care scholarships
- \$230,928 to the Irvine Child Care Project to expand and maintain the child care sites
- \$21,920 to complete the handicap accessibility at 7 child care sites
- 1,945 child care scholarships to low income, working families since 1993
