IRVINE JUNIOR GAMES

For the 35th year, 1,200 4th - 8th grade Irvine Unified School District athletes will once again show their spirit for the 2024 Irvine Children's Fund track and field fundraising event for all families to enjoy as the athletes run and jump to raise money for before and after school child care.

IRVINE CHILDREN'S FUND

The Irvine Children's Fund is a nonprofit organization supporting before and after school child care for children in K through 6th grade on all 29 IUSD elementary schools. The child care is under the supervision of the Irvine Child Care Project. The money raised at the Irvine Junior Games provides child care scholarships and helps meet the before and after school needs of Irvine families.
